

NELSON ELEMENTARY SCHOOL

Intermediate School Supply List (Grade 4-7)

For 2026-27, please purchase supplies according to your child’s grade in the chart below. In addition, all intermediate teachers would like to ask families to pay \$5 so that we can purchase some school supplies for our students to ensure equity and consistency within the class. (These may include duotangs, pens, poster boards, etc.) You will notice that duotangs were removed from the general list as Gr. 4 & 5 teachers will buy those for their class. This helps us to meet the individual needs of each classroom and we can also replenish some supplies throughout the year.

We highly encourage online payment at: <http://burnaby.schoolcashionline.com/> . School Cash Online payment will be available in September, once classes are finalized.

For the first few days of class, only basic supplies will be needed. Please bring the following supplies once your child has been assigned to a permanent class. Teachers may amend this list based on individual class differences and may ask families to replace consumable items throughout the year.
